

## **Trampoline, Gymnastics and Cheerleading Coaches Wanted!**

### **Various locations across the region!**

AAAsports are one of the largest Gymnastics Clubs in the North of England, operating Trampoline, Cheerleading, Gymnastics and DMT sessions from 6 venues throughout the region, as well supplying coaches to many schools and youth groups every week. Participants in each session can vary from Pre-School children right up to International performers.

AAAsports also helps to organise and host local competitions and events, including the highly successful Tyne & Wear Schools Trampoline competitions, which are held every October/November, and a major Club Competition every July.

Due to the success of the sessions, AAAsports are looking to expand their existing sessions and launch new sessions across the region. As such, AAAsports are currently looking for new Trampoline, Gymnastics and Cheerleading Coaches to run sessions across the North of England.

Coaches will have excellent communication skills and the ability to work alone and as part of a larger team, as well as an in-depth knowledge of their sport, desire to help participants achieve their goals and an infectious enthusiasm for their role.

Coaches will also be comfortable with and knowledgeable of all British Gymnastics guidelines for their discipline, and be able to carry out simple administrative tasks such as keeping accurate registers, etc.

Session times and locations vary throughout the year, and all coaches are paid competitive rates, including holiday and sick pay which is not offered in most coaching opportunities.

Coaches must hold a minimum of a Level 2 Coach award in your chosen discipline and experience of running sessions is preferred although not essential. All appointments are subject to satisfactory references and a satisfactory Enhanced CRB Disclosure.
